

The following history overview involves the knowledge / skills, in the history progression document, of historical interpretation, events, people and changes in the past, chronological understanding, presenting, organising and communicating.

Events, people and changes in the past will be taught as discrete themes on a termly basis (see below).

Historical interpretation, chronological understanding, presenting, organising and communicating will be blended into these discrete themes as they overarch all other parts of the history progression document.

<b>Classes</b>	<b>cycle</b>	<b>autumn</b>	<b>spring</b>	<b>summer</b>
